

**Yellow warning
Thunderstorm**

Between
14:54 Sun 10 Sep 2023 and
18:00 Sun 10 Sep 2023

A line of severe thunderstorms will push quickly northeast across the East Midlands and northern East Anglia.

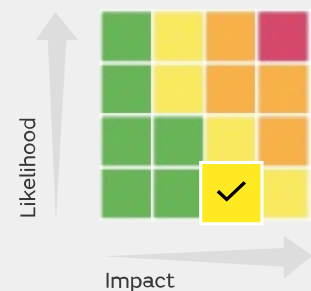

What to expect

- There is a small chance that homes and businesses could be damaged by lightning strikes, hail or strong winds
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

A line of severe thunderstorms has developed and is pushing quickly towards the northeast across the East Midlands and northern East Anglia.

Due to the likely speed of transit of these thunderstorms, rainfall will be limited, with 15-30 mm in a few places. However, frequent lightning, large hail (up to 2cm in diameter), and wind gusts of 40-50 mph are possible in association with any active storms.

 Very low likelihood of medium impacts

Issued at 14:54 Sun 10 Sep, 2023
